Crossover 740S

The Crossover 740S is Dream Makers Spas' 2 pump, 6-7 person, 40 jet spa with contoured bucket seats and directional jets providing individual water pressure control. With a SyncrylicTM unibody construction that is virtually indestructible, this energy efficient model comes with a Weather Shield Super Seal Cover, digital controls, Easy Klean/Convex2 Filtration plus an adjustable backlit water fountain, 8 exterior LED corner lights, and an LED underwater light all synchronized with up to 9 programmable color options. You gain all the benefits of a luxury spa at a fraction of the price. This beautiful, easy to install, lightweight, design makes the 740S perfect for personal relaxation or entertaining both day and night.

Programmable LED Lighting in the footwell allows up to 9 color control options

Adjustable fountain with built-in LED back lighting
